

# Resources for Whizz Online Maths Extravaganza 2

For the students to join in, you may wish to have the following resources available, this is not a requirement and students will still be fully involved without resources.

## Opening Problem

## Patchwork challenge

Coloured paper - this could be scrap newspaper or magazines. You will need a selection of A4, A5 and A6 to do the activity alongside us. If not just watch!

## Strike it out

Copies of number lines and coloured pens or pencils. Otherwise just watch and play later.
